advance of twenty-five per cent. on the ex-  
pense of composition, we are compelled to  
increase the cost of the Daily Democrat.  
Hereafter the Daily, by mail, will be twenty-  
five cents per month, or four dollars for six  
months, or seven dollars per year—always in  
advance.

GURRIEILLAS ON THE FRANKFORT ROAD.  
A party of guerrillas, probably the same that  
robbed the stage on the Shelbyville road yester-  
day, went to Hobbs' depot, broke open the  
doors, and finding nothing there they wanted  
them. They then went to Mr. Smalley's,  
the station-master, and demanded of him all  
moneys and valuable papers belonging to the  
railroad, or Adams' Express Company. Mr.  
S. told them he had some money belonging to  
the railroad company, but that he never kept  
valuable papers, or money belonging to the ex-  
press company. They took from him forty dollars  
belonging to the railroad company, and about  
thirty dollars of his own money, together with  
a pistol. Mr. Smalley urged them to return  
him his private funds. They refused to do  
this. They next left in the direction  
of O'Bannon's, saying they were in need of a  
telegram battery, and were going to get it,  
together with such money as they could find  
there. We understand they succeeded in get-  
ting the battery. Considerable excitement  
existed in the neighborhood over our informa-  
tion.

Police Proceedings—Thursday, July 7.—  
Thos. Corrigan, assaulting Wm. Gill by throw-  
ing squirts on him while swimming; con-  
fined.  
Peter Carroll, drunk and very inebriated; sent  
out to the workhouse in default of \$100 bail.  
Julia Murray, drunkenness and disorderly con-  
duct; sent out for two months in default of

ness and disorderly conduct; Peter discharged  
and Briged sent out for three months.  
A continued case of Ellen Fox, stealing a  
gold watch from J. S. Morris; heard on the  
part of the Commonwealth, and held in \$500  
to answer in the Circuit Court.

Mary Hart, cutting Eliza Kelly's hair; held  
to answer.  
March Merritt and John Cunningham, charged  
with the robbery of a man by the name of  
Rhodes, who lives in Brandenburg; discharged.

Fred. Buchler informs us that some  
wanton scoundrel shot a fine house of his on  
the common near the corner of Kentucky  
and Sixteenth streets.

ARREST OF A YOUTH ON A SERIOUS CHARGE.  
On numerous occasions we have been com-  
pelled to record the perpetration of the most  
heinous crimes by mere youths, and the in-  
crease of crime in the boys of Louisville is  
becoming an alarming extent. The latest  
case is that of a young man who is being  
brought before the Police Court charged with  
the murder of a man named William Gill, by  
throwing upon him a bottle of vitriol. There  
had been some previous difficulty between the  
parties, and Carrington procured a bottle of  
vitriol, and with the spirit of vengeance rak-  
ing in his young bosom, he went to the river on  
Wednesday evening, where Gill was bathing,  
and without saying a word to the youth three  
bottles upon him the bottle of vitriol. Gill was  
so badly injured that he could not appear at the  
court yesterday. The case of Carrington will  
be investigated to-day.

ARREST OF ONE OF THE PARTIES WHO CAP-  
TURED THE EMBROIDERED STAGE—This is the  
second of yesterday we gave the particulars of  
the capture of the Embroidered stage, near Mid-  
dletown. Yesterday Joseph Wilson was ar-  
rested near that place and brought to this city,  
charged with being one of the party who acted  
the part of the highwayman on that occasion.  
He states that he resides in Indiana, and that  
he came to this State on business. He was  
taken before Col. Fairleigh who being con-  
vinced by his explanation that all was not  
right, and that to the military prison in  
front, where he will be confined until his case  
can be investigated. He is supposed to be be-  
longing to the command of Morgan, and it is  
thought that he was with him during his late  
raid into this State. He will probably be sent  
to Lexington, to be tried by the military com-  
mission now in session there.

THE HACK ORDINANCE.—For a long time  
there was considerable fault found in regard  
to the ordinance passed by the Council, and  
not long since the Council passed an or-  
dinance regulating the price of hack hire,  
which ordinance also required the owner or  
driver of each hack to have placed in his hack  
a card containing the rates of hire, and also  
requiring them to have their lights lit at night,  
and that each lamp should contain the num-  
ber of the hack. This was not very pleasant  
to the hackmen, and a number of them re-  
fused to obey the ordinance. Within the past  
three weeks a number of hack drivers have  
been presented before the Police Court for  
violating the ordinance, and they have been  
fined. We are assured that the ordinance will  
be strictly enforced, and all who violate it  
will be punished.

DEATH OF SERGEANT JERRY WARNER.—We  
much regret to learn that Sergeant Jerry  
Warner, of the Twenty-eighth Kentucky, was  
severely wounded in a skirmish with the re-  
bels in front of Kennesaw Mountain on the  
23d of June. He received a ball in one of his  
legs, which necessitated amputation, from the  
effects of which he died three days afterwards.  
Sergeant Warner was a resident of New Albany,  
and one among its early settlers, and was  
well known to the people of New Albany and  
Floyd county, Ind., having served a number  
of years as a constable, deputy sheriff, and po-  
liceman.

LEAVING THE STATE—Large numbers of  
families are daily leaving this State to settle  
north of the Ohio river. This emigration is  
caused by the unsettled condition of affairs in  
the State, and embraces highly respectable  
and "well-to-do" farmers and mechanics,  
who will make good citizens wherever they  
may settle. From the border counties here  
to Caseyville the largest proportion of this  
emigration is moving, and Indiana is getting  
the principal share of it.

The attentive managers of Adams  
Express Company have our thanks for late fa-  
vora.

MEETING OF THE COUNCIL.  
Full Proceedings.

The Council met at the usual hour last evening,  
but owing to the heavy rain which set in  
about the time for meeting, the attendance  
was small.  
At 9 o'clock there was a joint session, when  
Charles N. Mead was elected clerk of the  
Portland Cemetery, and R. P. Lightham School  
Trustee for the Ninth ward, in place of J. L.  
Robinson, resigned.

David M. Dryden, Fontaine North, and  
Howard Johnson, sent a petition to the  
Council, asking the privilege of a wharf and  
a license to establish a ferry between this  
city and Jeffersonville. The petition was re-  
ferred to a special committee, with instruc-  
tions to report at the next meeting of the  
Council. The matter is a most important  
one, and the Council should be in no hurry  
in acting upon it.

The committee to whom was referred the  
matter of the salary of the City Tax Collec-  
tors asked to be relieved from further duty,  
stating that, according to the city charter, the  
Tax Collectors could not receive over \$1,500  
per year.

The bonds of R. O. Priest, as Chief of Po-  
lice, and of J. R. Ehrlich, as Clerk, were received  
and approved.  
A resolution was passed, authorizing the  
Mayor and Assistant City Attorney to inquire  
into and see what portion of the city property  
is encroached upon by other parties, and to  
take possession of the same in the name of the  
city. This resolution was offered in view of  
the fact that certain parties have encroached  
upon property belonging to the city.

A committee of three from the lower, and  
two from the upper board, were appointed to  
inquire into the expediency of the city lease-  
holders upon which to borrow money to  
widen the streets, with instructions to re-  
port at the next meeting.  
After granting several claims, and transac-  
ting other business of importance, the Coun-  
cil adjourned to meet again on the 21st.

Death of Col. J. W. Frewett.

It will be seen by the following notice which  
reached us by last night's mail, that J. W.  
Frewett, recent Doorkeeper to the Senate, is  
dead:  
This morning, at five o'clock, J. W. Frewett  
died of erysipelas: he had been afflicted for  
several years with this disease, and had suf-  
fered from it for about fifty years of age, and  
had been afflicted with it for several years.  
He leaves a wife, one son and a daughter to  
mourn his loss.  
Frankfort, June 7, 1864.

A Government Boat Landed with Hay

We learn that a boat of guerrillas went into  
West Point, at the mouth of Salt river, on  
Wednesday night, and burnt a Government  
boat-load of hay. There was a large lying  
near by, belonging to private parties, that  
they did not disturb. They did not learn the  
extent of the loss. They then burnt the old  
fort built there by Capt. Gibson some three  
years ago.

At the last term of the Jefferson

Circuit Court, John Welch was convicted for the  
murder of Ellen Gavey, and sentenced to be  
hung on the 23d of the present month. We  
understand that a petition has been circulated  
which has received a number of signatures  
for his pardon. The matter was committed  
without prejudice, and the jury were absent  
but a few moments before they returned with  
a verdict of guilty.
